

The Teaser and the Faun

They say you're a teaser, I am a faun
That's quite good
Right from the freezer and into the oven
That's quite good

I am set on you
Set on you
Set on you

They say you're exclusive, I am a hound
That's quite good
Not so elusive both feet on solid ground
That's quite good

I am set on you
Set on you
Set on you

They say you're a teaser, I am a faun
That's quite good
